PTO PURCHASES – KAREN KONETZNI

There are two request this month, after reviewing them with Ms. Johnson, one will be purchased by the school and one is going to be surveyed. The one we are going to survey the teachers, is a poster maker. Audrey Damon has requested that PTO purchase a new poster maker (takes regular sized sheets of paper and turns them into posters). The cost is high, \$3,000, and we are not sure if the teachers what this. We are going to check with all teachers. If a teacher does not send back the survey, we have decided that this means, no they don't want a poster maker.

PRINCIPALS REPORT – TRICIA JOHNSON

Tabled until next month. Ms. Johnson was not available to come.
